

# A NOTE FROM THE ASSOCIATE ARTISTIC DIRECTOR, THEATRE, MUSIC & FILM

Thanks for joining us for this annual celebration of our artistic process. Winter Shorts is where we get to play around with the components of theatre, music, and film that we are so proud to take ownership of. When we strip away the dynamic costumes, the set pieces, and dynamic lighting design, we are left with the raw, basic skills of performance: intention, movement, and expression. Our Winter Shorts festival is kind of like ordering the soup at the fanciest restaurant in town: Without all the dynamic bells and whistles of the presentation, what is there left to see? Well, let's get warm and cozy, 'cause you're about to find out.

A warm thank-you to the young artists who are

bravely taking on the responsibility of showing up in these pieces tonight, and to the brilliant instructional teams who define our programs. I am in awe of their commitment to craft, to their students, and to making Arts Umbrella a vibrant and safe place to realize their most dynamic dreams.

Enjoy the show!

Andy Toth

Artistic Director, Robert M. Ledingham School of Theatre, Music & Film

## **ABOUT THE PROGRAMS**

Arts Umbrella Intensive and Advanced Theatre Programs are year-long programs intended for students ready for a larger commitment to the art and craft of theatrical and musical performance. From September to June, students work with industry professionals to develop the on and

off-stage skills with an emphasis on teamwork, discipline, process, creative input and cooperation. From playwriting to directing, voice to movement, musical theatre to acting for stage and screen, each year-long program is one of structure, offering young aspiring artists the space to sharpen their skills in creative expression and individual artistry. The Arts Umbrella Theatre, Music & Film Department presents two theatre festivals throughout the year; the Winter Shorts Festival and the Expressions Theatre Festival; as well as school tours and cabaret nights to give students in each program the opportunity to share their work. We are proud to say that many of our alumni are in post-secondary theatre programs as well as having gone on to work as professional actors around the world.
